## **EDUCATION**

**2009** – Doctor of Veterinary Science, Department of Veterinary Medicine/Faculty of Agriculture, University of Novi Sad (“Factors relevant to finding of fluoroquinolones in fish tissues”)

**2009** – Specialist in Microbiology, Faculty of Veterinary Medicine/Department of Microbiology, University of Belgrade (“Biochemical characteristics of *Aeromonas* and *Pseudomonas* species isolated from trout”)

**2005** – Master of Veterinary Science, Faculty of Veterinary Medicine, University of Belgrade (“Comparative study of the possibilities of application of selected analytical methods for evaluating the freshness of trout”)

**1999** – Doctor of Veterinary Medicine, Faculty of Veterinary Medicine, University of Belgrade

## **RESEARCH EXPERIENCE**

**2016** – Senior research associate, INMES

**2011 – 2015** – Research associate, INMES

**2006 – 2014** – Research assistant, INMES

**1999 – 2000** – Research trainee, Department of food hygiene and technology of animal products, Faculty of Veterinary Medicine, University of Belgrade

## **WORK EXPERIENCE**

**2016** – Director of the Institute of meat Hygiene and Technology, INMES

**2015** –Acting Director of the Institute of Meat Hygiene and Technology, INMES

**2010 – 2014** – Assistant Director of the Institute of Meat Hygiene and Technology, INMES

**2009 – 2010** – Assistant Secretary for Environmental Protection of the City of Belgrade, Secretariat for Environmental Protection of Belgrade

**2008 – 2009** – Research assistant, Department of scientific and technical cooperation, INMES

**2006 – 2008** – Research assistant, Department of microbiological research, INMES

**2001 – 2005** –Assistant, Department of microbiological research, INMES

**1999 – 2000** – Research trainee, Department of food hygiene and technology of animal products, Faculty of Veterinary Medicine, University of Belgrade

## **OTHER ACTIVITIES**

**2015** – Chief Editor of the leading journal of the national importance “Meat Technology”

**2015** – Reviewer of the monograph of national importance by Dr. Ivan Nastasijević, “VTEC O157 in the beef chain” publisher Endowment “Andrejević”, ISBN 978-86-525-0206-6

**2015** – Member of the Honorary Board of the scientific conference “One Health – New Challenges” First International Symposium of Veterinary Medicine (ISVM2015), Vrdnik, Serbia

**2015** – Member of the Program Committee of the “58th International Meat Industry Conference”, Zlatibor, Serbia

**2015** – Member of the Program Committee and moderator of the thematic area “Food Safety” at the 26th Symposium of veterinarians of Serbia, with international participation, Zlatibor

**2013** – Team Leader for obtaining the Oscar of Quality – National Award for Business Excellence “Oscar of Quality for Small and Medium Organizations” (awarded by Serbian Chamber of Commerce, Foundation for a Culture of Quality and Excellence – FQCE, with the support of Ministry of Economy of the Republic of Serbia)

**2013** – Deputy Chairman of the Program Committee of the “57th International Meat Industry Conference”, Belgrade, Serbia

**2013** – Deputy Chairman of the Program Committee of the “57th International Meat Industry Conference”, Belgrade, Serbia

**2013** – Chairman of the plenary session at the “57th International Meat Industry Conference”, Belgrade, Serbia

**2011** – Member of the editorial board of “Book of Abstracts”, “56th International Meat Industry Conference,” Tara, Serbia

**2011** – Member of the Program Committee of the “56th International Meat Industry Conference,” Tara, Serbia

**2010 – 2014** – Member of the Editorial Board of the leading journal of national importance “Meat Technology”

**2010** – Member of the special working group for drafting the Regulation on the content and methods for development/drafting of statistical noise maps and the manner of their presentation to the public (Decision No.: 119-01-104/1/2010-02); Regulation on the methods for determining the acoustic zones (Decision No.: 119-01-104/2/2010-02); Regulation on the methodology for developing action plans (Decision No.: 119-01-104/3/2010-02), based on the Law on Protection from Noise in the Environment (“Off. Gazette of RS” no. 36/09)

Member of “European Aquaculture Society (EAS)”

Member of Serbian Veterinary Society

Member of Veterinary Chamber of Serbia and the City of Belgrade

Member of the Serbian Society of Microbiologists

Member of the Association of Food Technologists of Serbia

A delegate at the Assembly of Serbian Association of Institutes

Member of the Editorial Board of the leading journal of national importance “Veterinarski glasnik/Veterinary Gazette”

Honorary member of the Editorial Board of the journal of national importance ” Arhiv veterinarske medicine/Archives of Veterinary Medicine,

## **AREA OF SCIENTIFIC INTEREST**

Method of preparation of fish farm/pond and its management, fish nutrition, fish quality and safety, sustainability of fresh fish, manufacturing of fish products; Process hygiene and quality of meat and meat products; Development and validation of analytical methods for testing micro-organisms and determination of residues of veterinary drugs.
